Update to ensure comprehensive, up-to-date and accurate

# GMUs and WMAs

Discussion – No action required

# Use of SGC Lands

- **Rule 19.34.3 – Use of Game Commission Lands**

**Primary Purpose of Proposed Amendments:**

**to clean up language; and**

**to minimize risk of diversion of federal funds**

# Use of SGC Lands

- **Scope:** applies to general public *and licensees, permittees and staff*
- **Definitions:**
  - define “GAIN activities”
  - general clean-up (ie., commercial permits not limited to “businesses”)
- **Authority of Director**
  - Limits authority to permit activities only if not detrimental to wildlife... *and will not result in expenditure from GPF inconsistent with statutes prohibiting diversion*
- **Cancellation:**
  - Provides authority to cancel or modify for emergencies

# Use of SGC Lands

Discussion – No action required
