

Summary of Changes from Previous Easement:

TERM - Easement shall become effective as of July 1, 2013 and remain effective until March 31, 2014 so that it aligns with the remainder of the license year. Because the term is being adjusted to align with license years, the Department and the State Land Office will work to develop a subsequent easement for the April 1, 2014 through March 31, 2015 license year. The Department intends to present a draft of this easement to the Commission at the August or September meetings and a final for Commission consideration and approval at the November meeting.

CONSIDERATION - The Game Commission shall pay rental to the Commissioner in the sum of \$150,000 for the months of July 2013 through March 2014.

NOTICE - The State Game Commission also agrees to inform sportsmen, via the Department web-site and other means of communication, that commercial activities that are contemplated on state trust lands require securing a lease for such purposes from the state land office prior to conducting the activity.
