

# Review of the Commission's Appeal Process

Donald Jaramillo  
New Mexico Department Of Game & Fish  
April 14, 2016

# OBJECTIVE

The Department will create a new section in rule to consolidate and amend the administrative process throughout Title 19 NMAC that are applicable to the Commission's authority to appeal a decision of the Director.

# Steps

- **The Department has initiated the process to identify those rules that will be effected.**
- **The Department will work to consolidate and amend the administrative processes to provide consistency under a “new” section of rule.**
- **The Department will then provide a draft rule for public input.**
- **The draft of the new rule with public input will then be presented to the Commission at a future meeting for review.**
