

Proposed Amendments to 19.30.9 NMAC

Amending Game and Fish
Licenses/Permits
19.30.9 NMAC

Summary of Proposed Changes to 19.30.9

NMAC 19.30.9 specifies eligibility requirements and restrictions for NMDGF license vendors.

The proposed amendment would specify that any entity regulated by the department under NMAC 19.30.8 (Guide and Outfitter Rule) is not eligible to become a license vendor. This would include registered guides, outfitters and agents of landowners.

This change would prevent potential conflicts of interest in the issuance of carcass tags for big game and turkey hunts.

Public Comments

The amended rule will be posted to the Department's website. Public comments will be summarized for the Commission.
