

Wolf Translocation Plan

November 30, 2018

New Mexico State Game Commission Meeting

Roswell, NM

2018 Update

Released 8 pups into the wild

- 6 New Mexico
- 2 Arizona

Currents Status

- 1 confirmed dead
- 1 radio collared and alive
- 6 status unknown

2019 Plan

- 1. Cross-foster up to 12 pups from captivity into the wild**
- 2. Remove any female from the wild that is part of a brother/sister pair**
- 3. Translocate or remove wolves (dispersal or depredation)**
- 4. Import wolves for captive breeding purposes**
