

**Proposed
Amendments
to Game and Fish
Licenses/Permits
(19.30.9 NMAC)**

Summary of Proposed Changes

The rule specifies license vendor requirements and financial liability for carcass tags.

- Clarify the license vendor's responsibilities and reduce the penalties for lost carcass tags.
- The penalty for each "unusable" tag, and each unused blank tag would be set at \$100 per tag.
- The provision requiring the Department to suspend vendor privileges on the third occurrence within a license year will be removed.
