

Proposed Amendments to Licenses and Application Rule

Amending Hunting and
Fishing Licenses and
Application
19.31.3 NMAC

Summary of Proposed Changes to 19.31.3

NMAC 19.31.3.11 lists restrictions for licenses and applications. The proposed amendments would:

- Specify that unitization agreements may apply to all small game, turkey and big game species.
- Amend restrictions and Private Lands Use System (PLUS) to accommodate changes to PLUS and avoid duplication with individual species rules.
- Amend the Game Hunting License refund option.
- Allow for public comment through the Department's website.
