

Reporting Requirements for Licensed Trappers

March 26, 2015

New Mexico State Game Commission Meeting

Santa Fe, NM

19.30.10.8 NMAC

REPORTING REQUIREMENTS FOR CERTAIN LICENSED OR PERMITTED HUNTERS AND FURBEARER HUNTERS AND TRAPPERS:

F. Individuals licensed or permitted to hunt deer, elk, pronghorn antelope, javelina, Barbary sheep, oryx, Persian ibex and turkey or hunt or trap furbearers, who fail to report the results of their hunting or trapping activities by specified deadlines may submit their hunting or trapping report late with payment of a fee specified by the department not to exceed \$20 for each late report. Licensed or permitted hunters **or trappers** who fail to report the results of their hunting **or trapping** activities prior to the annual specified deadlines for **any trapping license**, special entry hunt application(s), population management authorization(s) or private land authorization(s), submitted for the following license year, will have their **purchase or** applications rejected.
