

Current Zebra and Quagga Mussel Distribution

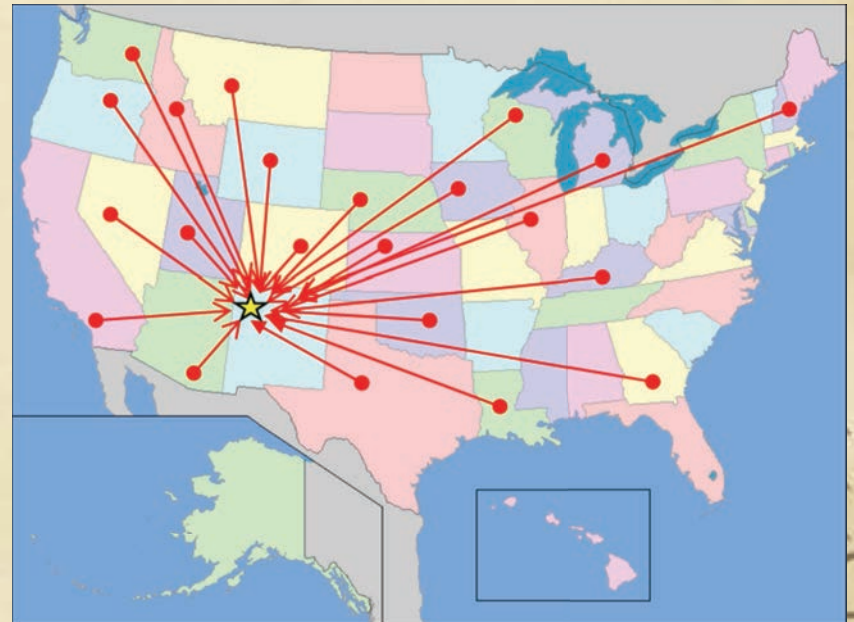

2015 Out of State Visitors

Ute Lake

Navajo Reservoir

Proposed Changes

- **Allow NMDGF to issue a Red Warning Tag using Email, US Mail or hand delivery**
- **Require all watercraft to stop at established watercraft inspection stations**
- **Require all watercraft brought into New Mexico to receive an inspection prior to launch**
- **Require advanced notice of transport for watercraft 26 feet or longer**
- **Allow for implementation of watercraft tag (seal) program**
- **Require all watercraft being transported into or within New Mexico to “pull the plug”**
