

**Albuquerque Office Complex  
Project update:  
Agenda item # 17**

# Community Outreach

- On April 8, 2017, the Department held a second “open house” on the property
  - Eleven (11) people from the community attended the open house
    - Overall, the response from the local residents was positive
    - Some of the topics discussed included:
      - ✓ Increased traffic potential
      - ✓ State funding
  
- On April 11, 2017, a meeting was held with Bernalillo County Public Works to review the project
  - Bernalillo County will be conducting courtesy reviews on the project including:
    - Hydrology plans
    - Driveway plans
    - Water and sewer plans
  
- Dr. Steven W. Carothers and Associates (SWCA) has completed the draft Environmental Assessment (EA)
  - SWCA submitted the EA to United States Fish and Wildlife for review
  
- The 100% design for the Albuquerque Office Complex will be finalized in May
