

AGENDA ITEM # 19

Renewal of Federal Aviation Administration Lease on Tres Piedras WMA

Donald Jaramillo
New Mexico Department Of Game & Fish
May 12, 2016

- Federal Aviation Administration is requesting renewal of lease for VORTAC Navigation System currently on Tres Piedras WMA.

Background

- **Very High Frequency Omnidirectional Radio Range Tactical Air Navigation Aid (VORTAC)**
- **Utilize for the detection and guidance of aircraft flying over New Mexico skies.**
- **The Department as well as the public receives a substantial benefit from the site as it provides a safe, reliable ground based navigation system which our used by department, private, commercial and military aircraft.**
- **Site was constructed on the Tres Piedras WMA in 1959.**
- **Current lease has expired and FAA is requesting a lease renewal through 2030.**
