## Draw Licenses for Rocky Mountain and Desert Bighorn Sheep

The deadline to apply for Bighorn Sheep Draw Licenses is March 20, 2024. Only one hunter may apply per application. Successful applicants will be mailed a bighorn sheep draw license/tag unless the E-Tag option is chosen. The license includes a hunt code and description of the unit, sporting-arm type, season dates and bag limit.

Hunters are eligible to draw one Rocky Mountain bighorn sheep ram license and one desert bighorn sheep ram license in a lifetime. A person who has held a license to hunt a desert bighorn sheep ram may apply for a draw license to hunt a Rocky Mountain bighorn sheep ram and vice versa.

Youth hunters (17 years or younger on the first day of the hunt) are eligible to draw one youth-only Rocky Mountain bighorn sheep ram license and one youth-only desert bighorn sheep ram license.

Hunters may apply for up to three bighorn sheep (BHS) hunt codes in the same license year. Hunters applying for both desert and Rocky Mountain bighorn must do so on the same application.

## Bighorn Sheep Ram Heads Must Have a Seal

All bighorn sheep rams taken in New Mexico must have a seal inserted in one horn by NMDGF. Sealing must occur within 10 days of harvest or prior to leaving New Mexico, whichever occurs first. Bighorn sheep heads may not be possessed without a receipt from NMDGF. Bighorn sheep heads found in the field must remain where found. Bighorn sheep heads brought into New Mexico must be sealed by NMDGF within 10 days of entry into the state (NMDGF will seal unsealed out-of-state heads only if origin can be verified). Bighorn sheep legally harvested and sealed by another jurisdiction (state, tribal entity or country) do not have to be resealed by NMDGF.

## Application Procedure for Bighorn Sheep (BHS) Hunts

Hunts are divided into four BHS hunt codes (BHS-1-201, BHS-1-202, BHS-2-203 and BHS-1-204). Applicants may choose up to three hunt codes.

**Hunt Areas and Hunt Dates:** Each BHS hunt code lists the available hunt areas and hunt dates for that hunt code. For each BHS hunt code chosen, applicants may select up to three hunt areas and hunt dates for that hunt code.
