Deer Draw Licenses

The deadline to apply for deer draw licenses is March 18, 2026. Up to four hunters may apply per application.

Successful applicants will be mailed a deer license/tag, unless the E–Tag option is chosen. The license includes a hunt code and description of the unit, sporting–arm type, season dates and bag limit. Tags include instructions for proper tagging.

Fee Types for Deer Draw Licenses (see glossary, pages 158–163)

Resident and non-resident fees are listed on page 17.

S	Standard hunt
Q	Quality hunt
HD	High–demand hunt
Q/HD	Quality and high–demand hunt combination

The highest fee for any hunt choice must be paid at the time of application. If a lower fee hunt is drawn, the difference will be refunded.

Fourth-Choice Deer Hunts

By selecting 4th–choice, applicants indicate they are willing to accept any deer hunt in a specific quadrant of the state. The 4th–choice assignment will always be for the same sporting arm type as the 1st choice on an application.

Hunters should understand that success rates for 4th–choice hunts may be low due to small and/or localized deer populations. **Hunters who draw a 4th–choice hunt will not receive a refund and may not obtain a private–land only license if dissatisfied with the hunt drawn.**

If applying for a 4th–choice hunt, applicants must select one of the four quadrants listed below.

NW	Northwest: Units 2, 4, 5, 6, 7, 8, 9, 10, 12 or 14.
NE	Northeast: Units 41, 42, 43, 45, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58 or 59.
SW	Southwest: Units 13, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26 or 27.
SE	Southeast: Units 28, 29, 30, 31, 32, 33, 34, 36, 37, 38, 39 or 40.

Bag Limits (see glossary, pages 158–160)

FAD	Fork-antlered deer (white-tailed or mule deer).
FAMD	Fork-antlered mule deer.
FAWTD	Fork-antlered white-tailed deer.
ESWTD	Either sex white-tailed deer.
A	Antlerless deer.

Private–Land Only Deer Licenses

To hunt on private land only (except in Units 2A, 2B, 2C, 4 and 5A listed below), hunters must obtain a Private–Land Only Deer License and carcass tag—available online, by telephone, from license vendors or at NMDOW offices. Online and telephone purchases must be made at least 14 days prior to the hunt start date to allow mailing of tags (see page 13), unless the E–Tag option is chosen. When obtaining a Private–Land Only Deer License, the hunter must select a hunt code which corresponds with a deer–draw hunt code for the unit, bag limit, sporting arm type and season date. If the hunter is a non-resident and selects a corresponding deer draw hunt code designated as quality (Q) or high demand (HD), she/he must purchase a quality deer license. Hunt codes for units without corresponding public-land draw hunts are listed on page 54. Over-the-counter, Private-Land Deer Licenses are not valid on any public land.

Private–Land Only Deer Hunting in Units 2A, 2B, 2C, 4 and 5A

To hunt deer only on private land in these units, hunters must obtain an authorization code and a hunt code from the landowner and must apply through the regular public draw. When applying for private–land only hunts in Unit 5A, only one person per application may apply. The application must be completed by 5:00 p.m. March 18, 2026. Private–land only licenses are not issued by license vendors for hunts in Units 2A, 2B, 2C, 4 and 5A.

Landowners must obtain an **authorization code and hunt codes** from the NMDOW Northwest Area office in Albuquerque or call: **505-222-4710**.

At the New Mexico Department of Wildlife, we ...

- mapped eight big-game migration pathways

...protect and conserve.

Deer Draw Hunts

Draw licenses authorize the hunter to hunt on any open public land within the specified unit or hunt area and on any private land in that unit with written permission from the landowner of the property. However, hunters with public-land only licenses in Unit 5A are not permitted to hunt on any private lands, even with written permission.

Closed Areas: Military reservations, national parks and monuments, state parks and monuments, recreation areas, national wildlife refuges, state WMAs and other locations may be closed or restrict hunting. All state WMAs are closed unless officially designated open to hunting.
