EPLUS LANDOWNER LIST FOR SPECIAL MANAGMENT ZONE (SPZ) RANCHES

– The following properties have been issued private land elk authorizations outside the SPZ –

This list contains those landowners that have returned their 2026-2027 agreement as of August 10, 2026.

*** Note: Not all SPZ landowners may have returned their agreements and are not yet listed in this document. This document will be updated regularly as landowners return their paperwork. ***

This list is provided as a courtesy of the NMDGF and any arrangements for the authorizations are between the hunter and the property's authorized ranch contact. For information on how to convert Authorization Information received from the ranch contact to a private land elk license, please see How To Purchase A Private-Land Elk or Pronghorn Antelope License Online at <http://www.wildlife.state.nm.us> on the Hunting Page under License Information.

Items to note:

➤ Special Management Zone properties are issued as Ranch Only authorizations which are valid ONLY on the private deeded ranch and other private lands within the same Unit with written permission from the landowner or person in control of the land.

Bag Limit Definitions: **MB = Mature Bull** **A = Antlerless** **ES-Bow = Either sex, bow only** **ES = Either sex**

It is important to remember that participation in E-PLUS is voluntary on the part of the landowner. Their experience with elk hunters will directly affect the access to private land that hunters may have in future years. Please be courteous.
