

**APPLICATION TO IMPORT FISH OR FISH EGGS
INTO NEW MEXICO AND RELEASE THEM INTO SPECIFIC WATERS**

Definition

Importer: The person(s) physically transporting fish or fish eggs from sources outside New Mexico, across New Mexico state boundaries, for release into New Mexico waters (the person, firm, or agent of the firm listed in Number 11 of this application).

Annual Importation Fee

An annual fee of \$25.00 (check or money order) will be submitted with initial application by the importer listed in Number 11 of this application and mailed to:

New Mexico Department of Game and Fish
Attn: Mark P. Ortiz (Marco)
Fisheries Management Division
P.O. Box 25112
Santa Fe, New Mexico 87504

This fee will cover all importations approved with the initial application. You may designate multiple release sites and/or dates for multiple landowners with this application. The annual importation period begins with receipt by the Department of the \$ 25.00 fee. *The importer is responsible for this fee.*

Amendment to Annual Importation Permit

If an importer wishes to import additional fish, or stock additional waters not covered by the initial importation permit, application must be made with the Department. This form will serve as application for additional importations, as well as initial importation. A \$6.00 fee will be assessed each time an application for amendment is made. Multiple waters and/or dates may be designated in each request for amendment. *The importer is responsible for this fee.*
