

141 Access, Winston, OG.141

Access Type: Right-of-way access

GMU: 17

Information: This lease provides access to properly licensed and license-exempt sportspersons through the property owned by this landowner which creates a right-of-way so that hunters may have better access to US Forest Service lands.

Permitted Activities: The public may travel across the landowner's property only on the designated roadway as specified in the Open Gate right of way agreement between the Department of Game and Fish and the landowner. Access across the property is subject to the terms and conditions in the Open Gate right of way agreement and is restricted to the following:

Permitted Activity	Available Dates	Remarks
Public travel <u>across</u> the property on the designated roadway connecting to US Forest Service lands as shown on Open Gate 141 Boundary Map.	Year-round.	Game in the area may include deer, elk, turkey, bear, cougar, furbearers, dove, quail, squirrel and nongame species.

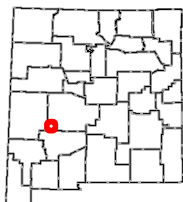

Open Gate is a program that leases private lands to improve public access for hunting, fishing, and trapping. Open Gate leases are funded exclusively by hunters, anglers, and trappers through the purchase of the Habitat Management and Access Validation (HMAV).
