

## **Proposed Manner and Method Non-Resident Shed Hunter License Summary**

During the 2025 legislative session, new legislation was passed creating a new class of license. A non-resident shed hunter license was created with a license fee set at \$200.00.

The proposed changes to 19.31.10.9.E. Possession of game animal parts found in the field are as follows:

- Remove the exception for obviously shed antlers found in the field from not requiring an invoice or permit.
- Require a non-resident shed hunter license for a non-resident to possess more than two obviously shed antlers found in the field.
- All shed antlers collected by a non-resident without a valid non-resident license remain property of the State of New Mexico and shall be seized.
