

2012-2013 SLO Easement

R.J. Kirkpatrick
New Mexico Department Of Game &
Fish

April 5, 2012

Substantative Changes

- Dates – Commissioner only considering another 1 year easement.
- Language to clarify the easement only allows for entry upon, not guaranteed access to State Lands.
- Language that allows for reduction in annual cost in recognition of habitat enhancement expenditures by NMDGF.
- Language that allows the Commissioner and the Director, in consultation with lessee, to allow for camping in certain circumstances.

Issues not Considered in Draft

- Use of ground blinds near wildlife water developments.
- The degree to which recently appointed “Sportsmen Advisory Group” will impact final approval of this 1 year easement.
- Efforts to facilitate entry upon State Lands where currently difficult.
